

# Individual Members' Survey: A Few Details

By Pierre Woolridge, Director, p-Consulting Ltd

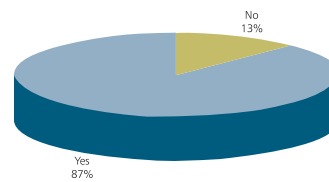

The April issue of Central Link, contained a further overview of the results from the individual members' survey for 2003. This time we will look at some of the more interesting replies and conclude with the results of members interaction with NZIM Central staff and the overall rating of membership services during 2003!

## The main advantages of belonging to NZIM

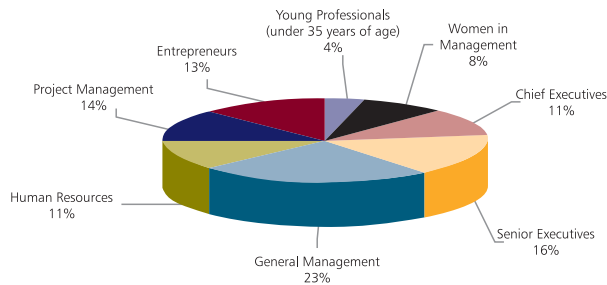

## The Trusted Voice of Management in NZ

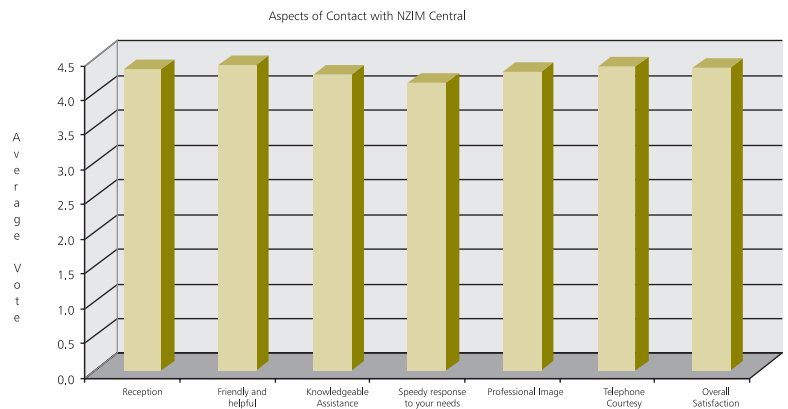

One of NZIM Central's goals is to be "... the "Voice of Management" in the Central Region." It is therefore pleasing to see members give such a high ranking to this aspect of our operations.

## Potential Attendance at NZIM Central Functions

## Interaction with NZIM Central's staff
